

Tripoli, Jan 27 2017

**To whom it may concern,**

This is to certify that Mr. **Amr Ahmed Farouk** passed in our company **Code & Dot** an internship work from Jan 1, 2017 till January 31, 2017 (1 month). He worked for our web development department, he displayed a strong potential of working. He was in charge to develop a Facebook application game and IOS mobile application where he used the following programming languages: Swift, JavaScript and HTML5

Mr. Farouk is much disciplined, respect time and work hard to achieve his job. Although, he is serious, well equipped and has the will to grow facing challenges that he may face in the future.

Sincerely,

**Nidal Daccour**
